

Foundation Update

October 2009

Virginia Center for Onsite Wastewater Management

Don Alexander and Carrie Schmidt tour SVCC's Virginia Center for Onsite Wastewater Management's demonstration site at Pickett Park. Carrie is Rural Development's Community Programs Director with the United States Department of Agriculture.

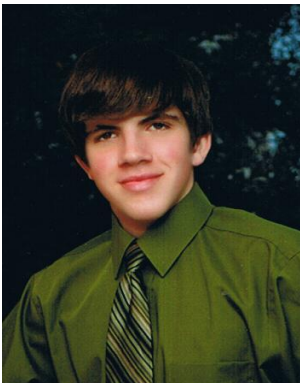

SVCC – OUT & ABOUT

Our SVCC Float in the Peanut Festival won first place. Thanks to Gary Cifers and his crew for a job well done!

Meet our SVCC Honor's Students

In the September issue you met Cassidy Stinson and Heather Moore. This month meet Zachary Talley and Will Hollingsworth.

Meet Zachary Talley

Zach Talley is from South Hill and a graduate of Norlina Christian School. His future plans include law school. According to one of his high school teachers, Zach is a deep, independent thinker often thinking "outside the box".

Meet Will Hollingsworth

Will is from Farmville and graduated from Prince Edward Co. High School. His major is Information Systems Technology. Will is involved in PTK and many other campus activities and is a second year student at SVCC.

Matthew Tregoning

Mary Jane Elkins recently presented the program for the LaCrosse/Bracey Ruritan Club. She was pleased to see the installation of newest club member Matthew Tregoning, a SVCC student.

Jessica Hayes and Stephanie Lewis (SVCC Middle College instructors) participate in the Harvest Festival events in South Boston.
